Wine & food

STELLENBOSCH COMES TO JOBURG

Fancy the best of the Cape grape? Hurry and book for a three-day wine and food feast as winemakers from Stellenbosch head to Joburg for the first Stellenbosch Wine LIVE festival presented by Pick n Pay.

Taking centre stage at the Wanderers Club from October 5-7, visitors will have a chance to taste wines from 40 of Stellenbosch's top estates and meet the winemakers.

Pick n Pay's Gourmet Food Lane is selling delectables like cheeses, fish, meat, fruit and vegetables.

"I'm delighted to represent these exciting Stellenbosch wine producers and proud to bring our greatest wines and personalities to Jozi," said Stellenbosch Wine Routes chairman Mike Ratcliffe.

Wine bought at the show is delivered free to any address in SA, so it is a good time to stock up for the festive season. There will be live music too. Pick n Pay Wine Club members get free access to the Pick n Pay Wine Club Tasting Room for food-and-wine pairings. The Wine Club is a free-to-join club. Members get 20% off 10 wines monthly and exclusive offers, competitions and event invitations. Join at www.picknpay.co.za/wineclub.
