

Stellenbosch at Summer Place toasts the then *and* now

City of Gold to indulge in tastes of yesterday, today and tomorrow

Wednesday, 15 October 2014

Stellenbosch at Summer Place, the annual sensory showcase presented by Sanlam Private Wealth, promises a magnificent taste down memory lane when it toasts the then *and* now of South Africa's pioneering wine route through fine food, wine, music and art on Wednesday, 15 October 2014.

This year's theme is a celebration of yesterday, today and tomorrow's masters and Jozi socialites are in for a connoisseur's feast of stalwarts, fresh talent and innovative tastes from the City of Oaks, also known as the country's Food and Wine Capital.

Bringing the wonders of the Winelands to Hyde Park for one night only, is a stellar line-up of prominent winemakers and the most promising newcomers who will share their latest and yesteryear vintages with a glitzy crowd.

More than 70 top quality wines will be paired with cutting-edge culinary prowess when five of the finest Stellenbosch chefs will create unique gourmet sensations to match the varietals. This all for guests to revel in, while they mingle through the various luxury rooms of Summer Place.

In tune with the back to the future vibe, will be the super talented Amazink All Stars, who will lend a soulful atmosphere with live music from the past and present to the evening. This group of vibrant musicians, straight from SA's first township theatre in Kayamandi, delivers culturally authentic musical entertainment.

An evolution of the maestros will also be depicted through rare pieces from the Sanlam Art Collection – one of South Africa's finest and most extensive corporate art collections. Those looking to understand the investment value of their wine or art collection will find benefit in networking with experts from Sanlam Private Wealth at the event.
